EXPERIENCE

As I'm a beginner, I don't have experience yet. But I want to become a full-stack developer, so I need to gain experience.

EDUCATION

Hinthada Computer University, Hinthada — Bachelor of Computer Science

June 2008 - March 2010

Date Of Birth

14th June 1990

PROJECTS

PayRoll Management System — On Job Training Project

SKILLS

I have completed a full-stack web development course that includes Vue.js and Laravel frameworks. Although I do not have professional experience yet, I am eager to gain practical experience and grow as a developer. I am a quick learner and dedicated to working hard.

AWARDS

As I finished all my training courses, I had the chance to participate in on-the-job training with my training class. I created a payroll management system and presented my project. And I also earned a scholarship for the MERN Stack course.
